The story is about a young English woman who decides to escape the tedium of her life in England by working in France as an au pair. When war breaks out, she is imprisoned. Rosie's War succeeds because the author doesn't portray herself as hero. She is content to be a fairly ordinary middle-class girl accidentally caught up in World War II.

## ~~Rosies War An Englishwomans Escape From Occupied France~~

Rosie, a young Englishwoman from a comfortable middle-class background, left her London home in 1939 to work as an au pair in Avignon in the South of France. Even the outbreak of war later that year did little to disturb her happy life there, until 1940 when Hitler launched an all-out assault on Western Europe.
