RYOBI Tools

If used correctly, and if you follow all the safety requirements in your manual, you can use a drill safely. How do I know what settings to use? If you're drilling, use high speed and adjust your Drill/Driver to "drill". If you're driving, use low speed, adjust the clutch dial to a high setting, and adjust as needed. How do I know what type of drill I need? The most common type of drill for ...
