Sabiston Textbook of Surgery - 20th Edition

This 20th or “Score” edition of Sabiston’s Textbook of Surgery represents both a culmination and the continuation of the record of the 19 preceding editions, each of which scored their goal of serving as surgery’s English language evidence-based reference work. The tradition of providing expansive update information, including detailed exposition of surgical pathophysiology to assist the surgeon in his/her adaptation of generic data for an innovative solution of an atypical clinical ...
