Dick Moby sells glasses. Their ecommerce website design is full of great design elements. First off, it's the fun patterns and squiggles you see at the top of their home page. Second, it's the quality photos of their glasses. Notice that on the shop page the glasses are alone without anything in the background. That lets the product stand out.

Tips on Writing a Reflective Essay. Writing a reflective essay is not persuasive writing where you have to convince your readers to accept your opinion. You simply have to share an experience. 1. Write a draft. Do not jump hastily onto formal writing. Write a draft where you can create a bulleted list of the things that you want to share.
