Steidl website. Saul Leiter (December 3, 1923 - November 26, 2013) was an American photographer and painter whose early work in the 1940s and 1950s was an important contribution to what came to be recognized as the New York school of photography.

Saul Leiter: Early Color - Exibart Street

Born in 1923, he started taking photographs in black and white in the 1940s, and began experimenting with color towards the end of that decade. Leiter is an accomplished painter as well as a photographer, and nowhere near as well-known

Courtesy of Steidl. rendered its unassuming details in expressive color. Using temperamental expired film, Leiter saw the streets in sharp punches of red and vast seas of shadow. "Seeing is a neglected enterprise," Leiter once said.

Why Saul Leiter Kept His Colorful Street Photography

...

Leiter's earliest black and white photographs show an extraordinary affinity for the medium. By the 1950s, he began to work in color as well, compiling an extensive and significant body of work during the medium's infancy. His distinctively subdued

color often has a painterly quality that stood out among the work of his contemporaries.

Saul Leiter - Artists - Howard Greenberg Gallery

It was not until the 1990s that Leiter began to look back through his color work and start making prints, and in 2006 with the help of historian Martin Harrison and the Howard Greenberg Gallery, they released *Saul Leiter: Early Color* with Steidl books in Germany. The book became an immediate sensation and thrust the photographer into the limelight, something he had previously avoided.

Early Color, Saul Leiter - YouTube

Saul Leiter was an American artist and early pioneer of color photography. With distinctive imagery suffused

Where To Download Saul Leiter Early Color

with painterly qualities, he is often grouped with other photographers of the New York School such as Richard Avedon, Weegee, and Diane Arbus. His work, however, departs dramatically with that group in regard to his subject matter—an oblique mélange of New York's streets, architecture, and inhabitants.
