Art History

In 1899, Kingston's Schools of Science and Art and Technical Institute were founded, with the teaching of fine art developing alongside science. The two disciplines were divided in 1930 with Kingston School of Art establishing its own building on the current Knights Park site in 1939. Since then, the School has continued to expand along the river. Design and fashion were added to the curriculum in the 1930s, as was architecture in the 1940s.
