When Schuyler Rummel-Hudson was eighteen months old, a question about her lack of speech by her pediatrician set in motion a journey that continues today. When she was diagnosed with bilateral perisylvian polymicrogyria (an extremely rare neurological disorder), her parents were given a name for the monster that had been stalking them from doctor to doctor, and from despair to hope, and back again.

Schuylers Monster A Fathers Journey With His Wordless ...

Schuyler ' s Monster is more than the memoir of a parent dealing with a child ' s disability. It is the story of the relationship between a unique and ethereal little girl floating through the world without words, and her earthbound father. It is the story of a family struggling to find the answers to a child ' s dilemma, but it is also a chronicle of their unique relationships, formed without traditional language against the expectations of a doubting world.

Schuyler's Monster

More than a memoir of a parent dealing with his child's disability, Schuyler's Monster is a tale of a little girl who silently teaches a man filled with self-doubt how to be the father she needs.
