Self Defense And Battered Women

SELF-DEFENSE AND BATTERED WOMEN Self-defense is defined in most states as the use of equal force or the least amount of force necessary to repel danger when the person reasonably perceives that she is in imminent danger of serious bodily damage or death. The legal definition

Battered Women Syndrome and Self-Defense

Elements of self-defense law are problematic for battered women who kill their abusers. These include imminence, reasonableness of the victim's perception of danger, and reasonableness of the victim's choice of lethal violence and their proportionality. Social interaction theory argues that, once contrition dissipates, imminence is constant.

This paper seeks to address the role of the battered women's syndrome in criminal court cases where battered women have killed their husbands in self-defense. A historical analysis of law pertaining to domestic relationships and violence reveals the male biases imbedded in the law and the obstacles women face in seeking equality and justice in the legal system.

The Battered Women's Syndrome: A History and ...

A battered woman is a woman who endures repeated abuse at the hands of another individual, such as her partner. Battered women who commit intimate partner homicide normally kill out of fear. This is why either self-defence or battered women syndrome seems to be the appropriate path to take in court.
