available in the readymade garment garments sector. Those are- Manually operated sewing m/c, Electrically operated sewing machine. All the above machine types have explained in the below:

1. Manually operated sewing m/c:

List of Sewing Machine Used in Apparel Manufacturing Industry
Before the invention of the sewing machine, most sewing was done by individuals in their homes. However, many people offered services as tailors or seamstresses in small shops where wages were very low. Thomas Hood's ballad The Song of the Shirt, published in 1843, depicts the hardships of the English seamstress:
