Mechanical Engineering Design :6th Edition: Amazon.co.uk

...

Shigley ' s Mechanical Engineering Design is intended for students beginning the study of mechanical engineering design. Students will find that the text inherently directs them into familiarity with both the basics of design decisions and the standards of industrial components. It combines the straightforward focus on fundamentals that instructors have come to expect, with a modern emphasis ...

Shigley s Mechanical Engineering Design 8th Edition  
Solution

mechanical engineering design is the basic text. And unfortunately, I got the 6th edition. My mechanisms Shigley book is the old school gray and maroon bound. The 6th edition Machine Design text was the more modern text look.
