Simple First Words Let's Talk by - Amazon.ae

I like this book, but because the sound quality isn't that great, it's not so good for teaching a toddler how to say the words. I also bought another "simple first words" book and it's the same sound quality. I don't think it's a defect, just how it's made. That said, I still give it three stars because the book is fun for my 22 month old daughter.

Amazon.com: Customer reviews: Simple First Words Let's Talk

simple first words Let's talk. August 27, 2015. I bought 2 of this book to give to new mothers of 1 year olds. A great tool for parents or ones watching child to get child to learn to push buttons to hear words. A fun book. See more. Reviewed by Bearbie Bearbie.
