Through a reading of Sindiwe Magona ' s Mother to Mother (1998), this article assesses claims for the empathetic potential of reading fiction, as a means of promoting cross-racial understanding. Drawing on feminist theorists Ann Cvetkovich, Clare Hemmings, and Sara Ahmed, I uncover the modes of political critique that can reside in resisting affective identification, and position Magona ' s ...

She finished high school through a correspondence course, follwed that with a BA Degree from the University of South Africa and a Master's Degree in Social Work at Columbia University in New York.

Interviews | Sindiwe Magona

Synopsis. Written as a ' letter from a Xhosa Grandmother ' to her " grandchildren " so that they do not lose their history, this is Sindiwe Magona ' s gift to posterity, not just her biological offspring. It is an account of her eventful first twenty three years. Her early years in a Transkei village, her childhood and adolescence on the Cape Flats, in Retreat and later Guguletu, where she was poor but secure in a loving family.
