Second language acquisition, or SLA, has
two meanings. In a general sense it is a

Access Free Sla Research And Language Teaching

term to describe learning a second language. More specifically, it is the name of the theory of the process by which we acquire - or pick up - a second language. This is mainly a subconscious process which happens while we focus on communication.

ERIC - ED421866 - SLA Research and
Language Teaching., 1997

There are those who maintain that SLA
must be applicable to L2 pedagogy: a view

Access Free Sla Research And Language Teaching

based on the argument that because SLA is a subfield of applied linguistics, it should have direct relevance to L2 teaching. Others take the view that not all areas of SLA research need to be relevant to L2 pedagogy – only the more ‘applied’ areas.
