Sonitrol provides cost-effective security. We'll replace your existing mechanical locks and keys with electronic locks, badges or cards and readers. This offers significant benefits: Our technology eliminates the expense of rekeying or changing locks when an employee leaves. Users/employees are less likely to set off false alarms

Access Control | Sonitrol

Sonitrol personnel monitor fewer alarms per operator-80% fewer than the national average-leading to quicker response times.

Because our security systems include many specific alarm types, SONITROL can give police more
