Ralph's capacity for leadership is evident from the very beginning (he is the only elected leader of the boys). During the crisis caused by the sight of the dead paratrooper on the mountain, Ralph is able to proceed with both sense and caution. He works vigilantly to keep the group's focus on the hope for rescue.

Chapter 1: Free movement of goods The principle of the free movement of goods implies that products must be traded freely from one part of the Union to another. In a number of sectors this general principle is complemented by a harmonised regulatory framework, following the “old approach” (imposing precise product specifications) or the “new approach” (imposing general product requirements).
