The Star Rover's two main themes are prison reform and astral travel through past lives. When London was 16 years old he was imprisoned for 30 days for vagrancy, "an experience he found so traumatic that he vowed that thenceforward instead of actually living the hobo life which had left him friendless and terrified behind bars, ...

Star Rover is a great app to learn about constellations. To use it, you need to point your smartphone towards the sky, and it can give you a pretty good idea of what you're looking at. After learning about your current position, the app helps you identify planets, stars, moons, and constellations within the area of its view — the app updates in real-time as you move your smartphone in different directions.

The StarRover, colloquially known as the Rover, was a freighter owned by the pirate queen Maz Kanata. Kanata supplied the StarRover to the Resistance for use in a mission to a bacta production plant on Tevel, undertaken by Finn and Poe Dameron. Before Finn and Dameron could reach Tevel, they were captured by a First Order space station, and were forced to abandon the StarRover to escape. The ...
