The USS Prometheus is sent to Lembatta Cluster to investigate if it is all the Renasons who are to blame or just a few. As the terrorists have targeted more than just the Federation, the crew of the Prometheus also have to deal with a Klingon ship along for the ride. There is a lot going on in Fire, not at least learning the new characters. I am a Star Trek fan, but not a true fanatic, so forgive me if I do not know the likes of Captain Adams et al.
