Dreams are images, thoughts, or feelings that occur during sleep. Visual imagery is the most common, but dreams can involve all of the senses. Some people dream in color while others dream in black and white, and people who are blind tend to have more dream components related to sound, taste, and smell.

When sleep claimed the young spirit, the nightmare did not return with enough clarity to wake her. Yet all the same, from the moment she fell asleep to the moment the sun's rays woke her, Ori's dreams remained haunted by visions of a gem with a molten heart, and of half-remembered vistas beneath burning skies and buried beneath the snow.
