~~In fact, according to professional speaker Akash Karia, stories are irresistible to the human mind because they activate our imaginations and so we have no choice but to follow the mental movies created in our heads. As a result, they are used by many TED presenters who are some of the most inspirational speakers in the world.~~

~~1. Storytelling is interactive. Storytelling involves a two-way interaction between a storyteller and one or more listeners. The responses of the listeners influence the telling of the story. In fact, storytelling emerges from the interaction and cooperative, coordinated efforts of teller and audience.~~

~~What Is Storytelling? - National Storytelling Network~~

~~Storytelling is probably one of the oldest performance activities known to any civilisation. Much of ordinary human discourse involves the telling of stories. A response to very ordinary conversations results in the recounting of a story. Throughout history stories have been told in many ways: through music and drama, through dance and literature.~~
