to work for different learners, so it's important that all students are exposed to several activities.

## Tips for Teaching Study Skills - The Pathway 2 Success

Finding the best way to study is an ongoing process. It isn't something that can be left to the night before the test. You should be constantly improving your study skills to better understand what works (and what doesn't). Learning how to study better helps avoid panic and frustration the next time a big test is coming up.
