**6 Traits Writing**

**Rubric - T779X4 ...**

When generating a 6-Traits writing rubric for an upcoming assignment, consider building it with your students. Often teachers make a rubric on their own and then “go over” it with the kids. With this approach, students have very little

File Type PDF

Student

ownership and may not even understand some of the language within the rubric. The power of a rubric built with the students is that it's kid-friendly because it is written using their own words and language.
