division organic chemistry classes and it has been a significant help. The book came quickly and as described in perfect condition. Great buy and will do business again in the future.

~~Student Study Guide and Student Solutions Manual to~~

~~...~~

This solution manual provides paragraph-long explanations with each answer, as opposed to just providing answers. It shows you how to arrive to an answer, and explains why the correct answer is the best one. An added bonus is that the paper is pretty light weight, so the solution weighs less than the textbook.
