1 guide for bio students everywhere. This is a terrific guide to any high school or college student that may be taking this class. I'm a high school student placed in AP Bio and am benefiting so much from this great study guide. It will summerize complicated chapters and help you review the things you dont understand from the textbook. It is a great study guide and a refresher for test.

**Studyguide For Human Embryology And Developmental Biology**

I have bought a lot of student study guides in my life, and many of them have been nearly worthless. This one is not. The main textbook goes into so much detail that it is sometimes easy to lose sight of the main points of the chapters. This study guide does a wonderful job of bringing the key concepts into focus.
