Swara yoga is an ancient science existing since before the Vedic period, over ten thousand years ago. It was a secret science, only available for the select few, specially kings and dedicated sadhaks. It was kept as a closed secret by the ancient sages and saints who had intuitively received this knowledge from the Divine.

Swara Yoga School Teacher Trainings, Retreats & Social Action  
Swara yoga is a type of yoga that emphasizes the study, control and manipulation of breath as a means to achieve self-realization. It is related to, but broader than pranayama, which only relates to breath control, as Swara yoga also integrates an understanding of the solar, lunar and seasonal activities, as well as the physical and mental condition of the yogi.

What is Swara Yoga? - Definition from Yogapedia  
Swara Yoga is the science of nasal breath. Swara Yogaallows one to get in tune with the lunar and planetary cycles and to change left or right hemisphere dominance at will. Swara Yoga is also a great aid in any healing process.

Swara Yoga - the science of nasal breath  
Swara translates in English to musical note or sound, but as a type of yoga Swara refers to the steady breath taken in through a single nostril. Swara Yoga is a practice that teaches yogi to reach a level of concentration allowing them to focus on controlling each breath that enters through the nostrils.

Swara Yoga - The Secrets of Yoga  
Yoga means union, so Swara yoga is a science, which is realization of cosmic consciousness through control and manipulation of breath. Swara Yoga is the science, which is a complete study of observations, control and manipulation of breath or Swara. Pranayama is only related to the control of breath in various ways.
