T-6B Flight Instructor Guide

The T-6B NATOPS Flight Manual, Section III, will be your governing publication for all EPs and the primary focus of your study and preparation. This chapter of the FTI merely expands and amplifies certain procedures from the NATOPS. If discrepancies exist between the FTI and the NATOPS manual, the NATOPS takes precedence. 3.

T 6b Flight Instructor Guide - backpacker.net.br

The traditional E-6B is primarily used during flight training, as many pilots opt to use online flight planning apps post training. While some students use electronic E-6B computers, the manual E-6B flight computer has some significant advantages, including lower cost and reliability without power.

instructor tools Archives - Gleim Aviation

The best T-6B is currently the IRIS Texan Driver for FSX/P3D. It unfortunately lacks an accurately-simulated FMS. The NAV page and HSI merely display the route automatically generated by the sim ' s flight planner. The flight model isn't accurate in every respect, either.
