Reach out to your child's school, spiritual organizations, recreational leagues, health professionals, family and friends, and others. Taming a spirited child requires time.

Strategies for Parenting Spirited Children - Active Parenting

“You have to be able to set limits on behaviour,” says Popkin. “That is a danger of having a spirited child — that you will become cowed by your child's power and you will give in.” Try to set consequences that are logically linked to the behaviour, a strategy that works with any kid, but is particularly effective for spirited children.
