due to a collapsed birth rate during World War I.

Armoured warfare - Wikipedia

Although tanks are heavily armored and capable of attacking prepared defenses, it is best to remember that you can go around obstacles. Going around is obviously easier and you can attack soft targets such as trucks or command posts. Without those things, the enemy will just run out. Continue Reading.

What are some tank strategies in a large scale battle? - Quora

Ever since modern tanks' first appearance on the twentieth-century battlefield, infantry forces and their armored counterparts have been engaged in a sustained arms race with one another. Improvements in antitank weapons led to armor better able to withstand them and vice versa, with pendulum swings marking the temporary advantage of one or the other.

Tactics Tutorial. There are Seven Classical Maneuvers of War: penetration of the center, envelopment of a single flank, envelopment of both flanks, attack in oblique order, feigned retreat, attack from a defensive position and the indirect approach. A commander often must employ more than one maneuver to achieve victory; he may try to penetrate the center but fail, feign a retreat and then envelop a single flank.

Tactics Tutorial - The Art of Battle

Panzer greift an (known as Tank Attacks in English) is an unfinished book on armoured tactics and warfare by Erwin Rommel. It was to be the follow-up and companion work to his earlier and highly successful Infanterie greift an, which was published in 1937.

Tank Warfare: Battle Tactics: Ripley, Tim: Amazon.sg: Books

How has the tank revolutionised warfare in the century since it was first deployed in 1916 and how has military strategy adapted to take account of opponents' real or perceived tank strengths and tactics? And with the increased deployment of rockets and drones, is the age of the main battle tank now passing in favour of lighter, more nimble ...

Tank warfare - its past and future | Podcast | The Critic ...

The greatest tank battle in history had begun. Over the next week the Battle of Kursk was to pit almost 3,000 German tanks against more than double that number of Soviet heavy armour. The German tanks were far superior in many respects. Tigers and the 'monster' Ferdinand tank destroyer went in first.
