Taobao observation #2: Chinese
women are getting bolder while men

Access Free Taobao Data On Womens Apparel Online

getting more delicate. From the Taobao 's search index between March 2018 and March 2019, we can see the number of female consumers searching for blazers / suits has surpassed the number of their male counterparts starting with January 27th this year. While Chinese women

Access Free Taobao Data On Womens Apparel Online

becoming more and more interested in blazers / suits, the figures of male consumers are also showing some interesting clothing trends in China.
