Although originally there was one student guide per kit, the manufacturer has combined the student guides for the 300-Experiment kit and up, so now there is a 100 Experiment Guide and a 300/500/750 Experiment Guide. All in all, the guides do a great job of "filling in the gaps" informationally, while using the Snap Circuits set as a basis.

Elenco sent us the Teacher and Student Guides for review. The Snap Circuits teacher's guide is not an instructional booklet, it is a set of quizzes for the chapters of the Student Guide. The Student Guide contains all the information and end of chapter practice quizzes with answers. I am very impressed with the student guide.
