The guide is based on the premise that race and racism have been part of America's collective history "since the first English colonists arrived in 1607." It emphasizes, "race is not biological," describing it as "one of many social constructs — ideas that have been created and accepted by society."

Though most Chut people live a sedentary life, their villages are quite far from each other and their houses are temporary. Each lineage has its leader and an altar to worship their common ancestors. Among the leaders of the lineages, those who can win the highest prestige will be village chief. Matrimony is still practised.
