froze up Leave it to fright It's cute in a way Till you cannot  
speak And you leave to ...

Tear You Apart | Megan McDuffee

Tear You Apart is not a romance, but it is a love story. It's a  
love story between the main characters, Elisabeth and Will,  
who find each other but are not meant to stay together. And  
it's a love story between me and the book, which I wrote  
during most of a hot summer using my blood and tears.
