Communication Today 4th Edition

Description Technical Communication Today remains the only text to fully centralize the computer in the technical workplace, presenting how writers use computers throughout their communication process.. Writers use their computers to help them think, research, compose, design, and edit. Not only is Technical Communication Today firmly rooted in core rhetorical principles, but the text also ...

Technical Communication Today, Books a la Carte Edition ...
Once you move beyond the introduction, body, and conclusion pattern, technical documents can follow a variety of different organization patterns. A report, for example, is very different from a set of instructions. A proposal shows little resemblance to a technical specification. These documents follow completely different patterns of orga-
