The Anatomy of Type by Stephen Coles [Book Review]

Students and professionals in any creative field can benefit from a good typographic eye. The Anatomy of Type (The Geometry of Type in the UK) is all about looking more closely at letters. Through visual diagrams and practical descriptions, you'll learn how to distinguish between related typefaces and see how the attributes of letterforms (such as contrast, detail, and proportion) affect the mood, readability, and use of each typeface.
