This new paper edition of The Art of Problem Solving is perhaps the best example of Ackoff in action. Step by step, this practical guide shows you how to develop an understanding of the art of creative thinking and the design of creative solutions. Using "Ackoff's Fables"—humorous yet eminently practical parables, based on real problems by real managers—you'll see why solving a problem seldom solves the problem, but why approaching it from a new, unorthodox angle

A classic work about the 'creative' approach to problem solving - re-framing problems or questioning the basic assumptions that create the 'problem' in the first place. Slightly dated, though the nostalgic burst of baby-boomer optimism about our ability to fix the world's problems by the application of fresh thinking is refreshing.
