Infant Care Books - Goodreads

It's a good idea to take your baby's red book with you every time you visit the baby clinic or GP. They will use it to record your child's weight and height, vaccinations and other important information. You can also add information to the red book yourself. You may want to record any illnesses or accidents your baby has, or any medicines they take.

your baby's health and development reviews - NHS - NHS

Benjamin McLane Spock (May 2, 1903 – March 15, 1998) was an American pediatrician whose book Baby and Child Care (1946) is one of the best-selling volumes in history. [citation needed] The book's premise to mothers is that 'you know more than you think you do.'Spock was the first pediatrician to study psychoanalysis to try to understand children's needs and family dynamics.
