~~The Betrayal (Fear Street Saga Trilogy,  
No. 1): R. L. ...~~

The Fear Street Saga really leveled up the  
Fear Street franchise as a whole. It gave  
the town of Shadyside a depth that it didnt  
have before, and used the historical setting  
of colonial America to its advantage. I  
remember The Betrayal better than most  
of the books I read as a kid, and I think  
that is because of how shockingly violent it  
is at turns.

R.L. Stine is probably known best for his Goosebumps books (especially since it got turned into a TV show) but he did write some fun books for teenagers. This trilogy is one of them, exploring the family of Fear Street through the generations, all the way back to the first Fiers (Fears) and Goodes in Puritan times.
