Batman's been through many changes over the years, with the caped, taciturn, dark in garb and mien fellow being the one we so often think of when we think of the Bat. This wasn't entirely or always who Batman was (witness the Adam West goofy camp series of the 1960s), but seems to be the one that we keep returning to every so many iterations or so.

"Whatever Happened to the Caped Crusader?" is a 2009 story featuring the DC Comics superhero Batman. The story is published in two parts in the "final" issues of the series Batman and Detective Comics, released in February and April, respectively. Written by Neil Gaiman, pencilled by Andy Kubert and inked by Scott Williams, the story is purported to be the "last" Batman story in the wake of severe psychological trauma that Batman endures within the story Batman R.I.P. and his ultimate fate in Fi
