This manuscript is full of rules like these, written more than 500 years ago. The 'Little Children's Little Book' taught children table manners, so that they would know how to behave in noble or royal households. By listing all the many things that medieval children should not do, it also gives us a hint of the mischief they got up to.

This small paperback was written in the language and print of Williamsburg in 1701. The rules for children were many and strict but still hold true today as they are mostly based on the common sense of learning self-respect and respect for others no matter the station. Children did have to keep their opinions to themselves, unless asked.

This very funny children's picture book about good manners when eating is a favorite with three- to six-year-olds. Told in rhyme by Jane Yolen, How Do Dinosaurs Eat Their Food? contrasts terrible table manners with good table manners. The illustrations by Mark Teague will tickle your child's funny bone.

[Children's Books About Good Manners and Etiquette](#)

This book reminded me of being a kid when your parents would do this little piggy with each of your toes. This book explains to kids how to use manners and what happens when you do not use your manners. All of the good manners have pictures of people smiling and the pictures that have bad manners are hectic and have thought bubbles.
