The Circle (Eggers novel) - Wikipedia

In The Circle, Dave Eggers satirizes the cultures and values that have emerged in the age of the Internet. In particular, he criticizes the culture of social networking, in which the vast majority of personal interactions don't occur face-to-face, and often occur between people who have never met in person. Written at a time when more and more people communicate predominately through social networking sites, The Circle shows some of the frightening moral and.
