The Complete Illustrated Guide to Furniture & Cabinet ...

Sure, The Complete Illustrated Guide to Tarot includes some of the most popular spreads for divination, such as the "Celtic cross," but the full-color photographs also offer a rare opportunity to see some of the earliest cards, such as the Visconti-Sforza Tarot of the 15th century. In the midst of these illuminating images, Pollack leads you beyond placing cards on a table and teaches you to make tarot a part of living.

The Complete Illustrated Guide To Rocks Of The World: A ...

The Complete Illustrated Guide to Joinery by Gary Rogowski is a lovely volume on several of the techniques that have been discussed both in class and in the text. It illustrates them more clearly with photos of the process, than either of the latter sources and helps me understand better what the instructor has in mind when he makes suggestions for my projects.
