*The Cosmic Perspective: The Solar System - Chapter 3 ...*  
We humans have gazed into the sky for countless generations, wondering how our lives are connected to the Sun, Moon, planets, and stars that adorn the heavens. Today, through the science of astronomy, we know that these connections go far deeper than our ancestors ever imagined. This book tells the story of modern astronomy and the new perspective — The Cosmic Perspective — with which it allows us to view ourselves and our planet.
