The Creation of Feminist Consciousness: From the Middle ...

Here is a fascinating and liberating account of how women came to feminist consciousness over the last 2,500 years. It was not easy or straightforward, according to Gerda Lerner. Instead, the efforts of individual women to recognize the injustice of patriarchy and to organize against it foundered repeatedly as women were isolated from each other and kept in the historical dark.

The Creation of Feminist Consciousness: From the Middle ...

7. For women to develop a feminist consciousness, they need support networks of like-minded women (women-only spaces) and this required substantial numbers of women to be able to be economically independent of men. For most of patriarchy, the vast majority of women depended on male patronage for survival for themselves and their children. 8.
