Midnight's Mask concludes the Erevis Cale Trilogy in fine form, tying up the trilogy's storylines and plot points in a satisfying and even surprising fashion. In the first two books the Sojourner's ultimate objective is not revealed, but in this finale Kemp executes one of the better surprise endings in the epic fantasy genre when it comes to his main villain's motivations.

Good series of novels : forgottenrealms

The Erevis Cale trilogy is an enjoyable read. The three negative things that I can say is that the author could describe things better as well as a couple of times he seems to reuse the same word several times over a span of a page or two. It would be better if he diversified by using synonyms.
