By moving through the "U" process we learn to connect to our essential Self in the realm of presencing - a term coined by Scharmer that combines the present with sensing. Here we are able to see our own blind spot and pay attention in a way that allows us to experience the opening of our minds, our hearts, and our wills.

Books | Otto Scharmer

As part of society, organizations are hardly or not at all able to respond to changes that are taking place in the world. Organizations are stuck in their institutional thinking with respect to their solutions concerning global issues and problems like famine, poverty and pollution. Theory U : Dissociation.
