~~The Ethic of Time: Structures of Experience in Shakespeare~~

Personal ethics tend to be a product of beliefs, values, personality and environment; while an organisation's ethics must be instilled by its culture and leadership. Ethical failure in an organisation can often be the result of poor promotion of ethical practices by managers, as an individual's ethics become subsumed among the wider non-observance of professional ethics .

Structured Interview Structured Interview . A structured interview is a quantitative research method where the interviewer a set of prepared closed-ended questions in the form of an interview schedule, which he/she reads out exactly as worded.. Interviews schedules have a standardized format which means the same questions are asked to each interviewee in the same order (see Fig. 1).
