A Golden Age. Reviewed in the United Kingdom on 1 December 2012. The Third and Fourth Centuries AD have long been seen as a period of decline in Roman Britain; an era that saw the rebellious province breakaway from the grasp of Rome to form its own 'British Empire' under Carausius. This has at least been the common image of the era, popularised by the novels of Rosemary Sutcliff, and many see it as little more than a dull interlude between the conquests of the first ...

The period of Augustus’ reign was known as the golden age because Augustus started to put a significant amount of money and effort into building the Roman literature and culture by concentrating on the arts.

The Golden Age of Roman Literature

The Golden Age of Rome is also considered the Pax Romana, or Roman Peace. This period of time marked the prime years of Ancient Rome, beginning in 27 B.C.E. and lasting until 180 C.E. The Pax Romana began when Augustus came into power. During this era, the economy, arts, architecture and even commerce, flourished.

Golden Age of Rome — Dobson and Phillips Inc.

The “Golden Age of Roman Literature” is usually considered to cover the period from about the start of the 1st Century BCE up to the mid-1st Century CE. Catullus pioneered the naturalization of Greek lyric verse forms into Latin in his very personal (sometimes erotic, sometimes playful, and frequently abusive) poetry.

The history of the Roman Empire is littered with rulers that were cruel (Commodus), known for their bizarre proclivities (Elagabalus) or were utterly inept (Honorius). However, this great empire wouldn’t have lasted for centuries if the majority of its leaders were unsuited for the role. There were a number of excellent emperors, and for 84 years (96 – 180 AD), the empire thrived under the leadership of five outstanding rulers in succession.

A Golden Age of Leadership: The Five Good Emperors of Rome

The term Golden Age comes from Greek mythology, particularly the Works and Days of Hesiod, and is part of the description of temporal decline of the state of peoples through five Ages, Gold being the first and the one during which the Golden Race of humanity lived. After the end of the first age was the Silver, then the Bronze, after this the Heroic age, with the fifth and current age being Iron. By extension, "Golden Age" denotes a period of primordial peace, harmony, stability, and prosperity.

Golden Age — Wikipedia

The golden age has been so named by classical scholars because the greatest authors of the Roman Empire, including Lucretius (99–55 b.c.e.), Catullus (84–54 b.c.e.), Julius Caesar (100–44 b.c.e.), Cicero, Virgil (70–19 b.c.e.), Horace (65– 8 b.c.e.), Livy (59 b.c.e.–17 c.e.), and Ovid (43 b.c.e.–18 c.e.), flourished during this time.
