**The Great Emergence: How Christianity is Changing and Why...**

This further deepened the democratization of belief in the American religious market. The group essentially de-coupled the spiritual parts of Christianity from its religious roots. Through multiple examples, The Great Emergence describes a process in which Americans exchanged traditional Christian beliefs and practices for new alternatives. In her view, the Pre-modern framework of the biblical faith was ill-equipped to answer questions arising from a fast modernizing world.

**The Great Emergence: How Decay Precedes Renewal**

Indeed, for the Christian church the Great Emergence is more good news than bad: every other great "hinge time" has produced a vibrant new branch of the church, inspired a purification of the inherited church, and led to the extension of the gospel into new geographic and demographic areas.
