Gridlock Economy

# Access Free The Gridlock

How Too

Usually, private ownership creates wealth, but too much ownership has the opposite effect -- it creates gridlock.

When too many people own pieces of one thing, whether a physical or intellectual resource, cooperation breaks down, wealth

# Access Free The Gridlock

disappears, and everybody loses. Heller's paradox is at the center of The Gridlock Economy. Today's leading edge of innovation -- in high tech, biomedicine, music, film, real estate -- requires the assembly of separately owned resources.

Results from choices we make about how to control the resources we value most. We can unlock the grid; this book shows us where to start.

Gridlock Economy ::  
Michael Heller

The overarching idea of this book is that creating ownership in

# Access Free The Gridlock

too small portions  
creates a gridlock  
when the consent of  
all owners is needed  
to carry out a project.  
One big issue with  
excessively divided  
ownership is that  
every owner tends to  
want all surplus profit  
for him/her-self and  
the project leader  
abandons the project  
as there is no profit to
