As a form of ideology, genre is also never fully identical with itself, nor are texts fully identical with their genres. Furthermore, if genre is a form of ideology, then the struggle against or the deviations from that dimension, created necessarily out of the system itself, are ideological struggles. Unlike Jameson's location of Literature outside the constraints of genre, I will search out those places where the battle is most intense, where our decision on a text's genre determines ...

Ideology and the genre system: Hollywood's divide-and-conquer

Within this tradition of genre studies, "Genres are not discrete artifacts, but traditions of producing, using, and interpreting artifacts, traditions that make their way into the artifact as a form-shaping ideology." The study of genres as mediating artifacts within activity systems is closely related to Activity Theory, in which the interactions of different spheres of activity are examined. Activity theory, according to David Russell, "traces cognition and behavior, including writing, to ...

The anti-gender movement is an international movement which opposes so-called "gender ideology", "gender theory", or "genderism". The anti-gender movement rejects the sex and gender distinction, arguing that any gender separate from biological sex should not be recognized. Anti-gender advocates also oppose changes to the traditional family, such as same-sex marriage.

Genre is any form or type of communication in any mode with socially-agreed-upon conventions developed over time. Genre is most popularly known as a category of literature, music, or other forms of art or entertainment, whether written or spoken, audio or visual, based on some set of stylistic criteria, yet genres can be aesthetic, rhetorical, communicative, or functional. Genres form by conventions that change over time as cultures invent new genres and discontinue the use of old ones. Often, w
