Theory *The Interpretation Of Cultures* Clifford

In *The Interpretation of Cultures*, the most original anthropologist

of his generation moved far beyond the traditional confines of his

discipline to develop an important new concept of culture. This

groundbreaking book, winner of the 1974 Sorokin Award of the

American Sociological Association, helped define for an entire

generation of anthropologists what their field is ultimately about.

The Interpretation of Cultures - Wikipedia

The Interpretation of Cultures is an academic classic. The late Clifford Geertz was lauded for his 1973 anthropological volume, and I do not find this to be hype. The book is structured around anthropological description, with Geertz relying on field data he gathered mostly in the 1950's and 1960's.
